

ABOUT ACCOMODATION

Rothamsted (post code AL5 2JQ – see map below) is in Harpenden, about 10 km from Luton (which has an airport) and about 7km from St Albans. Both those towns have a range of hotels and good train links to Harpenden (15 min train + 10 min walk). Harpenden itself has no hotels and only a few rooms in pubs (eg. The Silver Cup and the Old Cock Inn) but maybe Airbnb has rooms available? Harpenden is on a main train line from London (to Bedford) so other airports such as London City, Heathrow and Gatwick are also easily accessible.

The hotels in Luton or St Albans that are close to their respective train stations are most convenient but also most popular (and expensive). For less expensive hotels further from Luton or St Albans train stations, it is feasible to use car/taxi to reach Rothamsted.
